

ABOUT US

College Simplified (Concept Simplified) is a one-stop solution for students — from exam preparation, admission counselling, scholarships, internships and career guidance. Our goal is simple — to remove confusion from education and make student journeys easier, smarter, and more successful.

Why Choose Us

The image is a promotional graphic for a counseling service. It features a central figure, a young man with dark hair and glasses, wearing a light blue denim jacket over a grey t-shirt, standing behind a stack of books. He is pointing his right index finger upwards towards his temple. The background is a light grey surface covered with numerous small logos of different educational institutions, such as IITs, IIMs, and various universities. Overlaid on this background are several red and blue rectangular boxes containing text labels: 'Exam Strategy' (top left), 'Admission Counselling' (top right), 'Mock Test' (left side), 'Competitive Exams' (left side), 'Short Notes' (left side), 'One Shot Revision' (bottom left), 'Board Exam' (bottom left), 'Scholarship' (right side), 'Courses' (right side), 'Hackathons' (right side), 'Internships' (right side), 'Study Abroad' (bottom right), and 'GRE' (bottom right). At the very bottom, a large red banner spans across the width of the image, containing the text 'TRUSTED BY 1 LAKH + STUDENTS' in white. To the right of the central figure, there is a large, stylized logo consisting of a blue number '#1' above the word 'COUNSELLING' in bold red capital letters.
